**We believe in a world where
every single person has access
to clean and safe water**

Clean water changes absolutely everything.

When a community gets access to clean water, it can change just about everything. It can improve:

Health

Access to food

Local economy
growth

Education

663 MILLION

People in the world live without clean water.

There is a water crisis in the
San Gabriel Community
where over 70% of people lack
reliable access to safe water.

Through donations from our water drive, we have installed **145 safe water wells**, serving over **29,000** since 2012.
