

## Cooking at Home

It is Sunday afternoon. Candy and Dad are watching TV in the living room at home. They want to make some fried rice because they are hungry after watching the cooking TV show.

They go to the kitchen. They look at the recipe. Dad asks, 'Are there any sausages?' Candy replies, "Yes, there are a lot of sausages.' 'Is there any ham?' asks Dad. Candy answers, 'Yes, there is. There are also some onions and noodles.' Dad says, 'Perfect!'

Dad and Candy start cooking the yummy fried rice. Dad says, 'Please pass me some rice.' 'Oh no! There isn't any rice,' cries Candy. Candy feels worried because there isn't any rice.

In the end, they both have an idea. They go out to have fried rice. They eat a lot because it is yummy. They feel happy.

Today is a wonderful day.
